Upcoming events at IAM!

Investigating ForeFlight

ForeFlight is one of the most awesome aviation tools every created! However, it takes quite a bit of practice and investigation to be able to access and use its most beneficial aspects. This seminar will do the practice and investigation for you! Join us on Thursday, January 20th at 7 pm as Nick Scholtes, CFI, takes us on a VFR Cross Country flight where we use all of the interesting and practical aspects of ForeFlight. Spots are limited, to register click [here](#).

Annual Membership Meeting

Join us Wednesday, January 5th at 6 pm for our Annual Membership Meeting. We will be sharing all the changes from the past year, and share the visions for the upcoming year. Members will be voting on new board members (members must be present to vote) and we will be appointing the members to the board. Refreshments will be served, feel free to stay for the monthly board meeting after the annual meeting.

Recent economic impact study

Did you know that Bolingbrook's Clow Airport has a \$34 million dollar impact locally?
