Illinois Aviation Museum is excited to be presenting "Pushing Tin with an ATC" on Thursday, May 20th at 7 pm at Illinois Aviation Museum. At this seminar, you will hear Rob Mickolayck, 30 year air traffic controller and Chicagoland native, speak about his career as an ATC and discuss what is air traffic control, what it was really like to be an ATC on 9/11, and if it is really like the movie portrays.
